Kristina Bouweiri owns and operates the Washington, DC metropolitan area's largest limousine/shuttle service, Reston Limousine, which is nationally ranked 27th in operational size and among the top 10 largest shuttle bus fleets.

Operating 143 vehicles, including buses, vans, limousines, and sedans, Reston Limousine serves the metropolitan area from its locations in the Dulles corridor of Northern Virginia and Capitol Heights, MD. Offering high-quality transportation and a proven track record for safety and customer service, Reston Limousine also has a proud legacy of community outreach through the business involvement and philanthropic support to the community of its president and CEO, Kristina Bouweiri.

Over the past decade, Reston Limousine has grown from a “Mom and Pop” operation with several limousines and sedans to a major transportation company in the Washington D.C./Virginia/Maryland suburban area. Its stretch limousines, limo-buses, sedans, and fleet of vans, mini-buses, and larger buses serve the transportation needs of private industry, educational institutions, embassies, and government agencies. Reston Limousine has become a well-known name among the international diplomatic community, the World Bank, IMF and other international organizations. It is also the official transportation service for the Washington Capitals.

In 2000, the business bought three acres of land near Dulles International Airport and in 2005 moved into its well-equipped facility. The new quarters offer full service, 24-hour maintenance and detailing, training and conference rooms, as well as parking for 100 vehicles. A separate facility is now being utilized in Capitol Heights, MD to house additional vehicles for access to Washington.

Kristina Bouweiri is a well-known business leader in the Dulles Corridor area. She is a member of the boards of several organizations, including the Loudoun CEO Cabinet, Loudoun Chamber of Commerce, Committee for Dulles, Dulles Regional Chamber of Commerce, eWomenNetwork and Leadership Loudoun.

In 2004, the *Washington Business Journal* named Kristina as one of the 50 most powerful and influential women in Washington. She has been featured in numerous trade and business publications such as *Washington SMARTCEO*, *Enterprising Women*, *Limo Digest*, and *Limousine & Chauffeured Transportation*.

She also serves as a mentor for other women in business, and is frequently asked to make presentations to share her insight and experience.

On behalf of her affiliation with Women Impacting Public Policy, Kristina is invited to special briefings involving a select participation at the White House.

Kristina works closely with the Loudoun County Visitors Association and the Loudoun County Economic Development Commission to promote tourism for the area. A promotional tour she conceived and developed continues to bring thousands of visitors to Loudoun to tour its vineyards and wineries.

She is an ongoing supporter of philanthropic work, especially those projects which assist children's causes. These include the Make-A-Wish Foundation, the Juvenile Diabetes Research Foundation, International Children's Festival, children's educational-oriented projects, and health care causes. Reston Limousine annually provides more than \$100,000 through gifts-in-kind to charitable organizations.

Despite the astonishing success of her business, Kristina continues to focus on the importance of treating her customers well and providing quality service. Her two mottoes continue to apply:

"Everyone's a customer!" and "Never say no!"
